Professional Office Building in the Heart of East Amherst

A Truly Exceptional Office Building!

Iskalo Development is pleased to offer 8600 Transit Road, an impeccable finished professional office building located in the heart of East Amherst on the west side of Transit Road (Route 78), just north of Maple Road. This two story building offers 19,528 square feet of quality finished office space.

This property was designed and built as a premier location for business professionals looking for a highly functional suburban office space. Ideal for financial services, insurance offices, law firms or other professional office uses. Offering ample on-site parking and a location in close proximity to shopping and restaurants.
